

KGLP Programming Changes

Hopefully you have noticed the program changes being made in the KGLP program schedule. The changes are a result of local producers leaving town, syndicated programs being discontinued, listeners' comments and recommendations, and new partnerships being forged by the radio station.

The most noticeable changes are to the **Sunday** schedule. The changes you will see include moving **Prairie Home Companion** to the 11:00 am time slot so that we can put **Speaking of Faith** at 1:00 pm – this was a request made by listeners who wanted to be able to hear **Speaking of Faith** at a time when they were not in church. We understand that **Prairie Home Companion** is a favorite – so please let us know if the new time slot works or does not work for you. We have added **Fresh Air Weekend** and a rebroadcast of **Splendid Table** to the Sunday afternoon schedule as well.

We are airing a new program called **A Way with Words** on **Monday** evening .

Have you listened to **Beneath the Surface** or **Strider Brown's Have a Nice Day Comedy Hour** on **Tuesday** evening?

On **Wednesday** , we will be airing the **Chicago Symphony Orchestra** for our classical music fans.

There are no new shows on **Thursday**.

On **Friday** , we have are airing a current affairs program from the **Navajo Nation Radio Network** at noon and from 2:00 – 3:00 pm, we are airing the show **Sound Medicine** produced by Indiana University which should keep you up to date on the latest in medical news.

And lastly, on **Saturday** morning, we will be switching **Only a Game** and **Splendid Table**. **Only a Game** will air at 8:00 am and **Splendid Table** will air at 7:00 am with a rebroadcast on Sunday at 3:00 pm.

Please do not hesitate to let us know what you think about these changes. The KGLP Board of Directors Programming Committee appreciates all of the feedback we get from our listeners and strives to provide the programming that meets your needs when you let us know what they are.
