Year One of the Next 25!

A Message from the Manager

KGLP has now been broadcasting in Gallup, New Mexico, and the surrounding area for 26 years, with the help of many supporters for over two and a half decades, including most of you who are reading this, now. KGLP.org's online audio streaming has performed well. Anyone can listen there, or on mobile devices via the TuneIn Radio App, available for Android and iOS devices. If away from our regional 91.7 FM broadcast, you can also listen on any telephone, whether on a landline or cellular connection, by calling 1-712-775-5759 (that number being on an Iowa exchange, meaning that long-distance charges might apply, at least in a few areas or

#### **Board Update**

Four current Gallup Public Radio Board Members are on the ballot for the January 14, 2019 election, to fill four seats. While we have a full slate, nominations will be accepted until November 1, 2018. Those four current Board Members

in some cases, though most cellular plans won't charge extra for domestic calls in the United States.)

In early June, our failed 14-yearold transmitter was successfully replaced, satisfying the Federal Communications Requirement that we broadcast at our licensed output power level of 1,500 watts. Purchase, installation, and followup tweaking cost about \$10,000.

Our on-air signal is not yet taking full advantage of our new transmitter, largely due to the state of our 14-year-old Studio-Transmitter-Link, the digital Moseley system that conveys our programming via line-of-site microwave radio, from studios at the University of New Mexico Gallup branch campus up to our new transmitter on Gibson Peak.

Early 2018 saw lots of shuffling of positions, with several resignations and appointments. We hope that the January 14th Board Election will yield a strong roster of active Directors to help see Gallup Public Radio through 2019 and beyond.

If you would like to meet any Board Members, consider RSVP'ing or just drop by the October 16th Signal Clean-up Party in Dr. Sloan's backyard.

#### Fall Signal Clean-Up Campaign Premiums and Gifts

Anyone willing to support Gallup Public Radio is welcome to come by our Fall Kickoff Party this Tuesday evening, October 16th, from 6:30 until 9 in Dr. Sloan's backyard (or inside should the weather turn.), or you could come by KGLP during the continuation of the Fall Fundraising Campaign, October 22nd thru the 27th, to pick up such items as our "Silver" 25th Anniversary KGLP logo bumper sticker and pen, refrigerator magnet, artwork, or other freebies, while supplies last.

Anyone donating \$25 (or hopefully more) may come by the station to pick up a 4 ounce jar of fresh jelly direct from the Prickly Pear fields of Gallup, New Mexico (this in additon to other gifts.) A variety of artwork is available to pick up, for donations ranging from \$100 up to \$800, including single and multi-piece sets. Here are some examples:

In early 2014, it finally went to a

generous member who had donated \$2k from a vehicle sale, and then hung in his Gallup residence until recently - now he's donated it back to KGLP for our October 16th Silent Auction at Terrence Sloan's backyard Signal Clean-up Party. (In the event of bad weather, the affair will move inside.)

Fall / Winter Manager's Message (Signal Clean-Up)

(continued from Page 1)

Listeners occasionally hear varying degrees of clicks, pops, and minor dropouts, i.e., blips of time when audio levels drop, disturbing the flow of our audio out to listeners. Sometimes the signal is as clear as ever, and at other times is downright irritating.

The solution? Install a new system to convey audio from our UNMG studios up to our Gibson Peak transmitter, either with a microwave STL similar to what we have now, or with an IP-based wireless system. The cost for purchase and installation is projected in the range of around \$10,000.

Suffice it to say that we still need your help to pay the bills. Our Spring 2018 donations were significantly less than last year's, but with your help we can still afford these improvements to our broadcast service by year's end, if we start soon.

With that in mind, Gallup Public Radio Board Member Dr. Terrence Sloan is again hosting a backyard fundraising party for KGLP, this time from 6:30 until around nine, this Tuesday evening, October 16th, at 1115 Boggio Drive, in Gallup (for directions or if you want to let us know that you're planning to come, you may email me: <a href="manager@kglp.org">manager@kglp.org</a> otherwise just text or call me at 505-980-5437, and I'll get you to the party.)

KGLP's October 16th "Signal Clean-Up Party" strives to jumpstart funds toward improving our on-air signal, paying for new equipment and catching up on old transmitter bills, and hopefully helping get us back within budget for the year. There will be refreshments such as wine, cheese, Salmon, crackers, non-alcoholic beverages, a silent (mostly art) auction, and a return engagement by classical guitarist Liam

Murphy, whose mesmerizing performance was greatly appreciated at a similar KGLP backyard fundraiser last year at Dr. Sloan's place.

October 2018

We'll continue with our Fall Fundraising Campaign during the week of October 22nd through October 27th, hoping for more of you to become sustaining members, signing up online for monthly donations through credit, PayPal, or bank transfer, as we work toward successfully re-vamping our on-air signal, improve cash flow, and better serve our listeners, the community of Gallup and surrounding areas such as Bread Springs, Churchrock, Tohatchi, Houck, Thoreau, and parts of communities such as Window Rock, Ft. Defiance, St. Michaels, Ramah, and Zuni.

Cash flow has always been important, as provided by our donors and members. Additionally, our funding from the Corporation for Public Broadcasting is contingent on sufficient matching funds, such as from our listeners. You help sustain our grant funding with every dollar given to Gallup Public Radio.

We still have a couple of 25th Anniversary mementos such as pens, stickers, and stemmed glassware, while supplies last, available upon request with your contribution. A donation of \$25 or more would make you eligible to request pickup of Gallup-grown and canned Prickly Pear Jelly, while supplies last. \$200 or more would qualify you for a Day Sponsorship, a shoutout to a family member or associate, or on behalf of a favorite charity on a date of your choosing, when we would repeat your message at least 15 times.

We appreciate all of our listeners, and certainly our supporters, including those of you who donate to KGLP each year or two, and those who have become sustaining members, arranging for automatic donations of smaller amounts each month. (Continued on Page 10) ==>
